

Luminous Equipment Signs

Luminous signs are printed on high quality material which will glow for a short period of time after lighting has failed, or been switched off. The material we use has achieved Class 1 rating against the industry standard. The material can be "recharged" an unlimited number of times by exposure to a light source. This Photo Luminescent material is non-toxic, non-radioactive and presents no environmental hazard.

LF05

Fire Extinguisher

LF05B/S 200 x 150 £11.50
 LF05B/R 200 x 150 £14.50

Luminous Exit Signs

Need to find the exit quickly, but you are in the dark? Why not let these signs guide you. These fire exit signs will glow for up to 30 minutes after the lights go out! (Luminous properties when tested against DIN-NORM 674510, up to 2 minutes 114 millicandella per square metre, 30 minutes 3.8 millicandella per square metre). That means "Its Bright"
