

Luminous Equipment Signs

Luminous signs are printed on high quality material which will glow for a short period of time after lighting has failed, or been switched off. The material we use has achieved Class 1 rating against the industry standard. The material can be "recharged" an unlimited number of times by exposure to a light source. This Photo Luminescent material is non-toxic, non-radioactive and presents no environmental hazard.

LF05

LF05B/S 200 x 150 £11.50
