

Parking Signs

Below are some examples of Tariff boards that we can supply for your car parks. We are very flexible on the design of these signs so if your car park has a different style of tariff board, let us know and we can quote for signs to suit your requirements. Also shown below are some signs intended for use on automatic entry/exit barriers.

TARIFF BOARDS

We supply car park Tariff Boards. Shown here are examples of typical tariff boards. All you need to do is specify the content of the sign i.e. Prices, operational hours, Car Park name, etc. Then tell us the size of the sign and material. We will then produce a design and send you a proof for your approval along with a quote.
